Happy Feet

Our personal footcare and toenail cutting service for people over 50 is very popular and we are booked well ahead for the service. We are still taking new people for this service. If you are unable to manage your own footcare (toe nail cutting, filing etc) but do not require podiatry contact us.

The service is by appointment only - Costs £20 for the first visit and includes provision of your personal cutters and files. £15 per appointment after that.
